

OUR TRAINING FORMATS:

1. Public Class

We offer an annual training calendar where you can join classes alongside peers from your industry. These classes are available in various formats: in-person at different locations across East Africa, virtually, and as hybrid sessions combining both in-person and online participation.

2. In-House Class

We offer on-site training solutions designed to fit your organization's specific needs and schedule.

Whether you're looking for departmental upskilling, company-wide awareness programs, or certification training, we can deliver it all at your preferred location.

All you need is a quorum of 5 and you can choose from in-person sessions, virtual training, or a hybrid approach combining both.

2. Self-study Trainings

This are available on our website, through our easy to navigate and pay e-commerce platform. This format provides participants with access to a comprehensive range of training materials and resources, allowing them to take charge of their learning journey, making it a convenient option for busy professionals to gain skills and knowledge in a flexible and cost-effective manner
